Idea 5
TEMPORARY PLAY STREETS
Closing a network of streets at regular intervals allows people of all ages to have a safe public space to play, meet, and be active.

Temporary closures are a step toward permanent solutions, which can be difficult to implement without first building citizen support. Temporary closures also give everyone a chance to breathe cleaner air, increasing motivation for more regular closures.

These events increase parental perception of safety, reducing their stress and allowing more outdoor play time for children, and more socialisation between neighbours.
